

Leadership Training Program for team leaders

About the Interaction

Empower your team leaders with the skills and knowledge they need to drive organizational success and lead with confidence. Our comprehensive Leadership Training Program combines interactive sessions with personalized coaching, ensuring a transformative learning experience tailored to their needs.

Expert Guidance and Design

With Lulzim Bucolli at the helm as our Learning Architect, each aspect of the program is meticulously designed and implemented to guarantee coherence, relevance, and effectiveness.

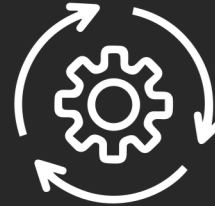

Tailored Program Structure

Duration

Six Day Training

Once a month

Methodology

Interactive Training
Modules

Leadership Foundations

Establishing strong leadership principles and effective communication strategies to inspire and motivate teams.

Efficiency & Balance

Equipping leaders with time-tested management techniques and productivity tools to optimize performance and maintain harmony.

Emotional Intelligence Mastery

Cultivating emotional intelligence and resilience to navigate challenges and foster a positive work environment.

Empowerment & Collaboration

Empowering leaders to embrace self-management, foster team collaboration, and create psychologically safe spaces for innovation and growth.

Change Leadership & Innovation

Leading change initiatives with passion, fostering creativity, and overcoming resistance to drive innovation and growth.

Styles of Leadership

This session explores different leadership styles such as autocratic, democratic, transformational, transactional, and laissez-faire. Participants will learn the key traits of each style and how to adapt their approach to various situations to enhance team performance and achieve goals.

Program Benefits

Essential Leadership Skills: Equip leaders with the essential skills to excel in their roles and drive organizational success.

Genuine Collaboration: Encourage networking and collaboration among leaders across industries, fostering a supportive community.

Practical Strategies: Equip leaders with practical tools and strategies to navigate challenges and drive innovation.

Proven Success Program Evaluation

Pre and Post-Program Assessments: Measure leadership growth and development.

Feedback Sessions: Continuously improve the program based on valuable insights.

Ongoing Monitoring: Ensure implementation of learning outcomes for sustained organizational impact.
